**RAILWORKS CORPORATION APPOINTS
CORPORATE EQUIPMENT MANAGER**

Danny Brown to manage equipment function for RailWorks

New York, N.Y. - (September 17, 2012) – RailWorks Corporation, North America’s leading provider of track and transit & systems construction and maintenance services, announced today the appointment of **Daniel (“Danny”) Brown** as **Corporate Equipment Manager**.

Brown comes to RailWorks with more than 15 years of railroad management and business development experience. In his new role, he is responsible for managing the purchase and maintenance of the company's vehicle and equipment fleet.

Brown previously held dual responsibilities as Vice President of Sales for FCM Rail Ltd. and National Sales Manager for Progress Rail Leasing. He has held equipment-related positions with Progress Rail Services/FCM Rail since 2000.

RailWorks Executive Vice President John August said Brown’s appointment comes at a pivotal time as RailWorks continues expand its vehicle and equipment fleet in response to growing business volumes. “We understand the critical role our vehicles and equipment play in delivering safe and productive construction and maintenance services. RailWorks welcomes Danny’s expertise and industry leadership as we strive to further optimize our vehicle and equipment resources.”

RailWorks Corporation provides track and transit systems construction and maintenance services throughout the United States and Canada. With annual revenue in excess of \$580 million, RailWorks is a leading provider of integrated construction services for major transit authorities, Class I and short line railroads as well as commercial and industrial companies with rail infrastructure. RailWorks is a privately held company founded in 1998. For more information, see www.railworks.com.
